Remote Alarm Panels

This products accepts a switched input 230VAC, 24VAC/DC or a 0-10VDC adjustable input signal to provide an audible and visual alarm.

Features

- Flush mounting
- Light & Buzzer
- IP40

ERA... Series

No. of Channels	Input Signals	Part No.	Price Each
1	1 x 230VAC	ERA-230	£43.00
	1 x 0-10VDC	ERA-10-1	£43.00
	1 x 24VAC/DC	ERA-24-1	£43.00
2	2 x 0-10VDC	ERA-10-2	£87.00
	2 x 24VAC/DC	ERA-24-2	£87.00
4	4 x 0-10VDC	ERA-10-4	£108.00
	4 x 24VAC/DC	ERA-24-4	£108.00

Firemans Switch

Firemans Switch for remote override of ventilation plant in the event of fire.

EFM... & EKFM Series

Type	Mounting	Part No.	Price Each
3 position Key Operated	Flush	EFM-1	£35.00
Keyguard for EFM-1	Surface	EKFM	£18.00
Knob operated (safe Breakglass)	Surface	EFM-4	£95.00

Duct Smoke Detectors

Detects smoke/combustion products in air moving through HVAC ducts.

Features

Ionisation model- detects small smoke particles 0.1-1 micron and combustion gases as in fast burning fires.

Photoelectric Model - Best suited to detect large smoke particles 1-10 micron e.g. PVC insulation, fabrics & furnishings.

RWE... Series

Detector Head	Supply	Part No.	Price Each
Ionisation	230VAC or 24VAC/DC	RWE-N	£130.00
Photoelectric	230VAC or 24VAC/DC	RWE-P	£130.00
Sampling Tube			
750mm		ST750	£16.00
1500mm		ST1500	£21.00
3000mm		ST3000	£35.00

Order Sampling Tube according to duct width & cut to suit.

Rain, Water & Leak Detectors

Detects conductive non corrosive liquid/water in plant rooms, boiler houses, under floors, roofs etc. DO NOT use with combustible liquids i.e. fuels. AC sensor excitation is used for reliable operation which eliminates the sensor degradation problems found with DC systems.

EW... Series

Type	Supply	Part No.	Price Each
Switch Unit	230VAC	EW-230	£48.00
	24VAC	EW-24	£43.00
Sensors			
Probe Sensor can be fitted in various locations		EW-01	£19.00
Cable Sensor 3mm Dia. Order Per Metre (Max 200m)		EW-03	£6.00
Rain Sensor 2 sensor & 2 heater wires 24VAC 1Watt		EW-06	£52.00

Firemans Switch

This range of Safety Switches is for use in the event of fire or other emergency. Usually located at exits to gas plant rooms, units are key operated with a 2 or 3-position latching switch.

EP-FS Series

Type	Part No.	Price Each
2 Position key operated	EP-FS1	£25.75
3 Position key operated	EP-FS2	£34.00
Hinged Cover	EP-FSC	£5.75

Firemans Keyguard

The EP-KG is a wall or panel-mounted Keyguard. The window is a non-hazardous clear plastic with side tabs designed to break in order to gain access to the key. It is ideal for use in situations where a glass window would pose a hazard, i.e. food preparation areas, schools etc.

EP-KG Series

Type	Part No.	Price Each
Red	EP-KG1	£19.25
Spare Window	EP-KGW	£4.50

Emergency STOP Button

A range of Emergency Stop Switches and Buttons for manual shutdown of systems in the event of fire or other emergency.

Features

Switch Rating: 6A @ 240Vac

EP-SW Series

Button Type	Part No.	Price Each
Push (recessed)	EP-SW10	£17.50
Twist Knob	EP-SW11	£17.50
Key Lock	EP-SW11-K	£23.00

Duct Smoke Detector

The SD-521 provides an auto or manual reset relay output on detection of smoke, with a user adjustable threshold. An analogue output can transmit smoke and service alarms to a BEMS system.

SD-521Series

Description	Part No.	Price Each
Smoke Detector	SD-521	£183.75

Fusible Thermal Link

The EP-SW72 is for use in gas safety circuits. Units consist of a ventilated high temperature glass filled resin case, with electrical connection terminals and a thermal fuse. When located above boilers, the fuse activates on detection of over-temperature to close down the gas system. Replacement fuses are available.

Features

- High Temperature flame retardant glass filled resin housing.
- 72°C Melting Point
- IP20

EP-SW72 Series

Type	Part No.	Price Each
Air Velocity Sensor	EP-SW72	£7.75
Duct Probe adjustment flange	EP-SW72-F	£1.00

Liquid Flood/Rain Detection

Type	Description	Part No.	Price Each
Liquid/Flood Detector	Probes stainless steel with IP65 termination box	TPFD/P	£21.50
Rain Detector	IP65 housing for use with DOM2/LD module	TPRD1	£25.00
Liquid Detection Module	2 changeover relays for Rain/Flood applications 24V Supply	LDM/24	£55.00
	2 changeover relays for Rain/Flood applications 240V Supply	LDM/240	£65.00
